About Duijn-Hove

NL | Duijn-Hove is gespecialiseerd in de teelt van groene en bloeiende potplanten. Ons aanbod is breed, maar onze focus is altijd hetzelfde: kwaliteit. Als echt familiebedrijf wordt onze ervaring van generatie op generatie doorgegeven. We zijn altijd op zoek naar manieren hoe het beter en anders kan. Het resultaat: onderscheidende producten met prachtig toegevoegde waarde.

UK | Duijn-Hove is specialised in the cultivation of flowering and non-flowering pot plants. Despite our varied product range, we always have a very clear focus: quality. As a real family business, our experience has been built up over several generations. We're constantly looking for ways to do things even better. The result: beautiful and unique products with tremendous added value.
